Allen Small
Leader, Ontario Libertarian Party
7-91 Rylander Blvd, Box 121
Toronto, Ontario M1B 5M5

Dear Allen Small:

As Chief Electoral Officer of the Province of Ontario, I am pleased to welcome you into Ontario's next election cycle. I am writing to you today to request the names of the two representatives who will serve as your party's Political Advisory Committee (PAC) representatives.

PAC was created to open a dialogue between Elections Ontario and political parties, with the purpose of discussing topics related to the administration of the *Election Act* and the *Election Finances Act*. Every year, Elections Ontario hosts meetings with these representatives as an opportunity to update political parties on changes, as well as receive feedback and suggestions. In addition, I welcome the opportunity to meet with the political parties, as it allows us to build stronger relationships and work collaboratively. With these meetings, we hope to continue building on our past successes and strengths to improve Ontario's provincial electoral process.

Now that the 42nd provincial election has come to a close, we are reaching out to all of Ontario's political parties to refresh our PAC contacts. I would like to request that you nominate two representatives for your party. These representatives can be changed at any time. I would appreciate if you could confirm the names with us no later than August 31, 2018. Once we have the names and contact information, we will provide them with the agenda, time, and location of our next PAC meeting which will be taking place this fall.

Thank you, and I look forward to working with you and your PAC representatives on enhancing Ontario's elections.

For additional information, please feel free to contact Sarah Grieve, Coordinator, Strategic Services at 416-805-4917 or email at the following email at Sarah.Grieve@elections.on.ca.

Yours truly,

Greg Essensa
Chief Electoral Officer
