

Taxes- Back - (P)

## Ontario Libertarian Party Caucus Input

(Confidential Internal Document)

A. **TWO** ADJECTIVES, **ONE** NOUN. (Eg. Better, faster, healthcare.)

lower, voluntary contributing

B. **ONE** Catchy Slogan (Eg. Wait any longer, and you'll be waiting longer.)

~~more~~ less is more

C. **ONE** One-sentence quote from a "candidate" (Eg. "My liver failed, and it took 9 years for the surgery" ...)

"I got my first job and was shocked to see how many taxes I'm paying."

D. **ONE** Three-sentence quote from a "candidate". (Eg. "I want freedom. I want choice. People don't realize they are slaves.")

E. **TWO** Charts/Graphs/InfoGraphics (Eg. "Healthcare spending per capita trend")

govt debt vs consumer debt  
good vs evil

F. **FOUR** high level bullets summarizing the libertarian position (Short-term and/or Long-term)

- more discretionary income
- more choice in services
- Accountability & responsibility
- pay as go

G. **ONE** economic concept to include. (Eg. "Laffer Curve", "Supply the demand dead-weight loss")

- supply and demand
- competition

H. **THREE** photos (ie, define "what", Eg. "Durham Region Hospital", "Old People smiling", "Tree", or a specific school that was in the center of recent controversy")

Ontario Libertarian Party Caucus Input  
(Confidential Internal Document)

A. **TWO ADJECTIVES, ONE NOUN.** (Eg. Better, faster, healthcare.)

lower.  
simpler, ~~fair~~ equitable, taxes.

B. **ONE Catchy Slogan** (Eg. Wait any longer, and you'll be waiting longer.)

C. **ONE** One-sentence quote from a "candidate" (Eg. "My liver failed, and it took 9 years for the surgery"...)

~~"First thing I would take out is the CRA"~~ - Felix

D. **ONE** Three-sentence quote from a "candidate". (Eg. "I want freedom. I want choice. People don't realize they are slaves.")

Angie to ask.

Lian.
